Messrs. Haas  
Smith

Please refer to my letter of September 5, addressed to each of Messrs. Haas, Ramm and Smith, having to do with "the possibility of including the B.A.T. in the program of submission of relevant material to Arthur D. Little in connection with its review work \* \*."

I now enclose copy of a reply from Henry Ramm. I hope we can follow Henry's suggestion that "we should examine the whole subject before proceeding further," and I propose to do so the next time we meet.

Sincerely,
